SUMMER GAMES UNIVERSITY SATELLITES

JULY 14-18, 2008

01 - Praise, Worship Music and Ministry Leadership – Led by band members, pastors and worship leaders, this satellite will use a variety of experiences to teach the basics of leading worship at your youth group or church. The satellite will participate in a worship service.

02 - Drama – Led by excellent actors, this satellite will teach some basic acting, script writing and set building fundamentals and construct a “professional” quality skit to be a part of the evening Worship Service.

03 - Science – Led by science professors and others, take time to explore the natural world through scientific discovery and experiments.

04 - Art - Led by art instructors and students learn some art fundamentals and create your own projects.

05 - Football Skills – Coaches will lead students in the practice and development of skills needed for this sport.

06 - Volleyball Skills - Coaches will lead students in the practice and development of skills needed for this sport.

07 - Basketball Skills - Coaches will lead students in the practice and development of skills needed for this sport.

08 - Soccer Skills - Coaches will lead students in the practice and development of skills needed for this sport.

09 – Cycling - Bring your bicycle and ride through the surrounding area and parks.

10 - Scrapbooking – This satellite will build a scrapbook for their week at camp after learning some basic scrap booking and photography skills.

11 - Video Games – This satellite will (using games rated appropriate to our age group) allow participants to compete with and against each other in large groups

12 - Swimming – This satellite will utilize the pool facility for swimming and water games.

13 – Mission Project – Spend your satellite time serving the community of Grinnell. Projects may include painting, yard work, repair or other projects for people of need in the community.

14 – Dance Team – Learn new dance moves and a dance routine that will be preformed for the camp.
